Three reasons to use your dental discount

You'll smile brighter with big savings at over 195,000* available dental practice locations nationwide. Just present your card with the Aetna Dental Access® logo and pay the discounted price at the time of service. **In most instances, you save 15% to 50% per visit. ** Use your card over and over again to keep your teeth sparkling clean!**

NO LIMITS

Most dental plans limit the number of exams, cleanings and X-rays that are covered each year. You can use the dental discount as often as you like!

FAMILY DISCOUNTS

Some dental plans exclude orthodontia, such as braces, or limit to plan members under the age of 19. You can use the dental discount to save money on orthodontia for yourself and your immediate family.

REDUCE OUT-OF-POCKET EXPENSES

Dental plans generally limit the amount of dollars that can be spent towards your dental care. Once you reach that maximum, you pay out-of-pocket for any additional dental care. This is the perfect time to use your dental discount!
